

Giving advice

—Baby?—

My girlfriend is pregnant, she doesn't know what to do, and she told me we should get married: I'm too young and I don't know what to do. Please give an advice!

Lost guy!

Dear desperate teenager. You should first ask her if she wants to have an abortion, you are both too young and physically, mentally and financially unprepared, so marriage is a very bad idea and can end very badly.

—Help—

I'm a 17 years old girl and my parents think I'm a baby. They don't let me go out at night and my boyfriend can't phone me after 10 p.m. I can't wear the clothes I like because they tell me they are not "appropriate"; what can I do?

Desperate teenager!

Your situation is quite complicated since it is very difficult for liberal parents to change their way of thinking, but even so, you should talk to them and ask for freedom little by little, for example, start asking them for one more hour to talk with your boyfriend, from that way they will adapt.
